Mr. L. F. Meyer

January 18, 1973

J. E. Wickham

Cities Used by Federal Trade Commission

For your information, the cities listed on the attached sheet are used by the Federal Trade Commission (FTC) for their nationwide sampling of cigarettes. As of the 10th Market Sample, FTC field personnel began obtaining the samples. Prior to this, Western Union had been obtaining the samples for the FTC.

The 10th Market Sample was picked up during July and August, 1971.
